Kanta Jib Crane Pvt Ltd

About Us

We are the renowned manufacturers of an extensive range of jib cranes. Apart from the manufacturing, we also offer various equipment on rent that includes equipment for the live telecasting of programs of television channels, for the shooting of video albums and for the

special functions. The range offered by us is very high performing. Our state-of-art infrastructure helps us in meeting the specific requirements of clients. We ensure that our products are in compliance with the industry specified quality standard, thus they deliver long lasting service. A strong team of professionals who are well versed with industry specific operations supports us. All these together have enabled us to elevate our standard of performance as per the requirement. Our range includes: various types of camera jib cranes, various services like providing equipment on rent and many more. Owing to our efforts towards offering quality range and clients centric approach, we have been able to establish a huge client base.

Located at New Delhi, since our inception we Kanta Jib Cranes pvt ltd are included in the manufacturing of a wide range of camera jib cranes and also in providing various types of photography and equipment on rent services for live telecasting and photography. Quality is our hallmark and we ensure that our equipment meet international quality standards.

In order to ensure quality and durability of our range, we utilize high grade material to manufacture our range of equipment. The jib cranes manufactured by us can revolve up to unlimited degrees. We are the India's first company that makes the jib crane, which can run on truck. We have carved a niche for ourselves under the leadership of our mentor, Mr. Sunil Walia. His rich business acumen and vast industry experience of 30 years has enabled us to attain great heights of success. He guided us to become one of the proficient companies among others.
